**Oakland Community College
Degrees Trends Report
Aviation Maintenance Technology (AVT)
1991-92 through 2000-01**

The Degree Trends Report is developed by the Office of Institutional Research based on data compiled from official college records which are submitted to the State of Michigan for IPEDS (Integrated Post-Secondary Education System) Annual Degrees Conferred Report. The Degrees Trends Report examines trends of OCC degrees, based on specific programs. The standard format offers information on certificates and associate's degrees awarded. In the event that a given program offers only a certificate or an associate's degree, information describing the other type of award will not be provided.

Trends over a specified period of time are illustrated by the following graphs for Aviation Maintenance Technology (AVT)

- Ten year trend showing the annual awards conferred in Aviation Maintenance Technology
- Rate of change in annual awards conferred in Aviation Maintenance Technology
- The three year Moving Mean for annual awards conferred in Aviation Maintenance Technology
- Ten year trend in awards conferred collegewide.
