### THE DISCIPLES OF CHRIST

are endeavoring to reproduce Christianity in its simplicity and purity as established by the Apostles. They recognize no authority but Christ and take His word as their only rule of faith and practice. They believe that the *Unity* of those who claim to be God's people *can be accomplished only* by an entire conformity to the Saviour's teaching as revealed by the Holy Spirit through His Apostles, and a complete abandonment of the doctrines and commandments of men.

*You are cordially invited* to attend their meetings, examine their teaching and practice in the light of the scriptures.
