

MOTION
College Curriculum Committee
April 22, 2010

MOTION: In order to resolve the debate about whether a new course should be designated “A” (35 students) or “B” (25 students) based upon the proposed delivery method rather than the course content, it is moved by the College Curriculum Committee that all new non-developmental courses will be given the Group “B” classification.

Presented To:
Senate Leadership: 4-9-10
College Academic Senate: 4-22-10
