Re: Tuition and Fees Reporting

In response to the appropriations act requirement that:

*Each community college shall report to the house and senate fiscal agencies, the state budget director, and the department of career development by **August 31**, the tuition and mandatory fee rates paid by a full-time in-district student and a full-time out-of-district student as established by the college governing board ... A web site for these data has been developed. The web site for this data collection can be found by going to the secure site: <http://admin.michigancc.net>. Should you need assistance on getting a password and/or user id or help with the system, please contact your data coordinator. Your data coordinator has the ability to re-establish and assign user ids and passwords and provide assistance in accessing the system. The data contact names designated by your college are found at <http://www.michigancc.net/cci/contact/dccp.taf>.

Data is being collected by semester for the academic years 2002-03, 2003-04, and 2004-05. Once data are entered, the summary results can be viewed on the public site at <http://www.michigancc.net/data/tuition/tf.taf>. This report is always interactive. Any time a change is made, it will automatically be updated on the public site. Any changes made throughout the year should also be made at the secured site rather than via letter or e-mail.

Dear Gail,

I have searched our board minutes and could only locate the approval of the Technology Fee that you were requesting. As far as the of the occurrence Registration Fee increase, our records only go back to June 1990 and I cannot locate it within that time period. I will send a copy of the minutes for the Reg Fee via interoffice mail today.

Sorry we couldn't help with the other item!

**Subject:** Tuition and Fees

Hi Pat,

Jessica just called me with the last tuition increase date I needed. I have since discovered I have to provide the same data for the mandatory fees. I have been able to reduce the search area as follows.

Registration Fee	\$25	Changed from \$20 in Winter 1988 to \$25 by 1990-91. I don't have anything in between.
Technology Fee	\$10	Started during the 1994-95 Academic year.

As I mentioned to Jessica, I need copies of the minutes for my documentation.

Thanks to all of you for your help.
