SUBJECT: DALNET V.I.P. Briefing

DATE: April 22, 1993

I would like to invite you to join a short presentation about DALNET, a leading library information service provider, serving thirteen institutions in 93 libraries and a client group in excess of 500,000 in the tri-county area.

There will be several brief presentations aimed at campus administrators, financial officers, and other key administrators from our partner institutions. An agenda is enclosed. We hope that this briefing will foster a better understanding of the importance of DALNET and its potential for the future.

I hope you will be able to be with us on May 4.

Thank you.
