Just wanted to take a moment to extended a Thank You for your work toward making the Board Visioning Retreat a reality and success. In a very short period of time you identified potential speakers, developed a Request for Proposal, and thoroughly checked Lou Wetherbee's credentials and workshop delivery experience. Of great importance to the success of the day was the preparatory discussions you held with Lou to ensure the objectives of the retreat were accomplished.

Again, in the name of the DALNET Board of Directors, thank you for all your hard work and expertise.
