I. Welcome

Louise Bugg welcomed Anaclare Evans to the Systems Office
Staff as the DALNET User Services Librarian, filling Charlene
Wecker's position.

II. OCLC Presentation

OCLC sent three representatives, Ron Gardner, Kathy Kie and
Anita Reeb to talk about their reference services and access
services.

R. Gardner reviewed the FirstSearch Web Access, SiteSearch,
and WebZ services. He also discussed FirstSearch document
delivery and full text capabilities and the impact on
consortia users. Sample screens from the Galileo Project,
a Georgia library's SiteSearch were also demonstrated.

Kathy Kie reviewed OCLC access options, including multi-drop
lines, telecommunications linking program and the Internet.
