

Academic Senate Leadership Report

3/24/16

Elementary-Level Developmental Courses

- A number of developmental courses have been identified as elementary in reference to the level of content addressed within them: CIS 1000, ENG 1055, MAT 1045, and MAT 1055.
- Elementary-level courses will no longer be eligible for financial aid beginning in fall 2016.

Revised Criteria for Faculty Online Training

- In response to the Senate's January motion regarding online training, the administration has provided a revised set of criteria for determining the order in which faculty will take the training.
- The campus Senate groups discussed the revised criteria at their March 10 meetings and developed a set of questions and recommendations for the administration.

Senate Elections

- Campus Senator elections will be held on or completed by the April 14 campus meetings.
- College Senate officers will be elected during the April 28 college meeting at Southfield.
