MCC Associates Reach \$500,000 Goal

Mrs. Catherine Sadurski, President (left), and Mrs. Mary Monroe, Treasurer (right), pass to Chancellor Lucien Palmer a check for \$2,531.38 which completes the goal of \$500,000 given to Michigan Christian College by the Ladies Associates. (The Associates are now off and running toward their "second goal" of \$500,000.) Marvelous indeed!!

The MCC (Ladies) Associates have experienced a real milestone. At a recent monthly meeting they proudly announced the reaching of the \$500,000 gift goal to the college. In order to make the goal to the penny, a check in the amount of \$2,531.38 was passed to the college.

The one half million dollar goal was adopted a few years ago and the Associates organization has been joyfully watching the gift total climb from month to month.

The MCC Associates organized in 1959 — the same year the college opened. They now have 1200 members and approximately 60 chapters in three states. They are one of the most outstanding groups of its kind in the nation. Truly, the college has received its greatest support from the Associates. We are proud, therefore, to salute them in this issue of the Michigan Christian College Bulletin. More pictures and information are provided on the inside pages.

HISTORY

The Associates of Michigan Christian College is a non-profit, tax exempt organization organized upon by-laws and articles of Incorporation approved by the State of Michigan as of May, 1965.

The sole purpose of the Associates is to raise money through donations and projects to help support Michigan Christian College.

Chapters have their individual projects while others such as the State Fair Booth, Fall Festival, Gift-O-Rama and Spring Festival are the combined efforts of all the local chapters.

Any woman may become a member upon her pledge to abide by the by-laws and upon her contribution of \$12.00 per year, or \$100.00 in a fiscal year for a Life Membership, or \$500.00 in a five year period for a Pioneer Membership (excluding \$100 paid on Life Membership).

We invite you to visit the campus at 800 W. Avon Road and see how Michigan Christian College has grown in its first thirteen years. Much of its progress is due to the untiring efforts of the Associates.
