AFRAID OF HEAVEN?

Alistair Cooke, writer-narrator of the TV special *America*, reported that a South American tribal king refused "baptism" at the hands of European explorers because he thought that might insure his going to heaven. He was afraid of finding only "Christians" in heaven, like the wretched explorers. It is a shame when those who presume to represent Christ have a lifestyle which causes "the way of truth" to suffer.

(2 Peter 2:2)

The real Christian does not stir fears of heaven. His approach to life is motivated by the Lord whom he serves. He is influenced by Christ regarding his choice of a spouse, the way he drives a car, how he uses his money, and how he educates his children. Real Christians have built Michigan Christian College. As a partner we would like you to know about . . .

THE WITHDRAWABLE FUND AGREEMENT OF MICHIGAN CHRISTIAN COLLEGE

This program is designed for our friends who wish to make funds (stocks, bonds, property, cash) available to God's work at Michigan Christian at an attractive rate of interest, provided the funds can be withdrawn in the event of need. Interest is paid semi-annually.

If you provide such funds we will establish a separate fund account for you at the College. You may make additions as you desire. Attached to your Agreement is a Declaration of Trust which provides that at your death (and your surviving spouse) the fund will pass to the College with accrued interest to perpetuate the work of God at our College. The gift qualifies for a charitable deduction from your taxable estate at the time of your death.

The MCC Withdrawable Fund Agreement features:

- Satisfaction from helping now
- Attractive return on your funds
- Withdrawal feature
- Perpetuates God's work after your passing

To make a no-obligation inquiry and to permit us to serve your personal needs please write providing specifics about your situation, or send the attached card, or telephone our President.
