Salary Sharing Campaign Work Begins This Month

Kick-off for the annual Salary Sharing Campaign is scheduled for September 23, 1983. As in previous years, the direct mail portion of the campaign will take place during late September and early October. All segments of the MCC clientele will be sent a brochure including a

business reply "YES" card. This direct mail piece solicits vital help in underwriting the operating budget of the College. All who can give are asked to respond by making a monthly or one-time pledge.

"The direct mail portion of Salary Sharing is extremely im-

portant to the entire campaign," states Rick Watson, campaign coordinator. "The more we raise by mail, the fewer phone calls we have to make. It saves the school a lot of money when people respond to the direct mail solicitation instead of the phone call. We enjoy

calling, but the most profitable response is generated by the mailed "YES" card.

October 24 through November 22 are the dates for the Phone-a-Visit portion of the fund-raising activity. Each Monday, Tuesday, and Thursday evenings during the campaign approximately twenty callers will meet in the campus Gold Room to call as many potential supporters as they can. "With this year being the twenty-fifth anniversary of the

school, we will be asking everyone to pledge at least twenty-five dollars. Many will, hopefully, pledge much more than that, but we need those who don't normally give to the campaign, or give less, to be planning on a twenty-five dollar gift during 1984," said Mr. Watson.

"Last year's campaign surpassed its goal, and as the economy continues to improve we hope everyone who possibly can will help the school continue to grow."

Silver Anniversary Year Underway

Silver Anniversary celebrations for Michigan Christian College are underway! Introduction of several new degree plans, major campus renovations, and plans for highlighting the 25th Anniversary theme in all major campus events promise an exciting 1983-84 academic session.

Dorms opened to incoming students on Saturday, August 20. Parents' Orientation sessions were held the next afternoon. New students and parents were introduced to the faculty and administrators at the President's Reception that evening. New student orientation took place on Monday, with class registration on Tuesday and Wednesday.

Final enrollment figures will not be available until late registration closes. However, the picture looks bright as Director of Admissions Larry Stewart noted that dormitories are filled to near capacity and indications point to a high commuter count.

Classes began on Thursday, August 25. Opening Day Chapel services at 11 a.m. officially launched the Silver Anniversary Year of Michigan Christian College.

Larry Stewart led the invocation. Randy Gill then led the audience in singing a selection of devotional hymns. Dr. Larry Journey, Academic Dean, read from the twelfth chapter of Romans. Men's Club President Duane Harrison closed the devotional service with prayer.

Following introduction of platform guests by Dr. Milton B. Fletcher, greetings from the Board of Trustees were extended by Chairman J. Robert Utley. Student Body Association President Tony Russell then welcomed his fellow students. Jerry Tallman, minister of the Rochester Church of

Christ, presented a lesson entitled "The Challenges of Maturity."

Dr. Fletcher then highlighted events in the first twenty-five years of MCC after which the audience and the A Cappella Chorus joined in singing the Alma Mater. As the program drew to an end, the A Cappella Chorus sang "America the Beautiful." Dr. Journey then read from the Preamble to the Constitution and the audience joined in the "Pledge of Allegiance" and "The Star Spangled Banner."

Following the benediction by Vice-President Bill Fowler, Dr. Fletcher declared the Silver Anniversary Year in progress.

"We had an excellent student body last year," commented President Fletcher. "We are expecting this year's group to be as good or better. Larry Stewart and his staff have done an excellent job recruiting these students. The twenty-fifth year of MCC's existence should be one of the finest."

Prior to the new students' arrival on campus, Dean of Students Dr. Len Knight conducted a three-day seminar for the students employed as resident assistants for this academic year.

Resident assistants are responsible to the dormitory supervisors as they help in many areas of student life. Dr. Knight, along with Academic Dean Dr. Larry Journey and the supervisors conducted the workshop involving first aid training, listening techniques, overall attitude, and job responsibilities.

Preparations for the 25th year included giving top priority to general campus maintenance and remodeling during the summer. A new roof was installed on the Science Building and that facility, the Muir-

head Library, and the gymnasium were painted.

Remodeling projects included major renovation of the campus Gatehouse. That building will now be known as the Home-making House and will serve as the classroom and lab facilities for courses being offered in the new home economics degree program.

Classrooms in the Campus Center were also remodeled, allowing for creation of the Computer Science and Office

Systems Labs. A classroom and office computer center were also created in the area formerly known as the Bible Room of the Gallaher Center.

Enclosure of the baseball area of the athletic field also took place over the summer. Thanks to the generosity of Dick Powell and the Avon Hills Lion's Club, a total of \$6,000 was donated to erect a chain link fence enclosing the entire ball diamond. Powell is affiliated with the Rochester Federation Baseball

League, which uses the field during the summer months. The Avon Hills Lions Club uses the field as the launch site during their annual Fourth of July Balloon Classic.

"The fence will help us keep the ballfield in good condition and make the use of the field much more enjoyable," stated MCC Athletic Director "Coach" Bill Shinsky. "We really appreciate the generosity of these two groups in helping get this job done."

Message from the President

Dear Friends:

This year will be the Silver Anniversary of Michigan Christian College. It appears at this point that enrollment might slightly surpass 1982-83. We are looking forward to an exciting year!

As of June 1, 1983, the new Operating Budget of \$2,460,570 became effective. This year 28.4% of that budget is projected to be funded by gift income, while 71.6% is scheduled to come from tuition and fees, auxiliary enterprises such as the MCC Bookstore, and a small amount of earned income from the Permanent Endowment Fund.

The gift income percentage of 28.4% mentioned above is generated because of unselfish response to the various gift programs such as the Salary Sharing Campaign, the Partnership Dinner Campaign, the Associates, the Men's Club, and the Annual Fund Dinners being conducted away from the Detroit metropolitan area. Also, some miscellaneous gifts will come to the institution from people who are not designating their gifts to any particular program.

The Salary Sharing Campaign is so vital to balancing the Budget. It is the fall fund raising activity, and is the largest of the gift income programs. Approximately \$225,000 of the total gift income budget comes from the Salary Sharing program. I hope that you will seriously consider including the Salary Sharing Campaign in your giving budget this year.

The campaign will be launched in September with a general mailing to the majority of people on the MCC mailing list. A second mailing will go to those of you who are presently on the program. These mail appeals are designed to encourage people to make their commitments early by mail, thus reducing the cost of the Phone-a-Visit segment of the campaign. Let me urge you to make a commitment as soon as your mail arrives.

Approximately 90 volunteers will be participating in the Phone-a-Visit phase of the campaign, about half of whom will be students. You can make their work much easier by responding to the mail when it arrives.

Thanks to you for considering Michigan Christian College as a special charity in your plans.

Very sincerely,

Milton B. Fletcher
President

Jim Bill McInteer to Head Nashville Fund-Raising Committee

Plans are underway to conduct the first annual fund-raising dinner for Michigan Christian College in the Nashville, Tennessee area.

President Milton B. Fletcher has asked Dr. Jim Bill McInteer to chair the committee responsible for generating support for MCC in the Nashville area. Dr. McInteer has accepted that responsibility and is now finalizing committee appointments. E. "We feel we are fairly well known and have a lot of alumni and friends in that part of the country," stated President Fletcher. "With our twenty-fifth year just getting underway, we are looking for as much support as we can get, not only from our Midwestern area, but from other places where we feel we have pockets of strength. We appreciate Jim Bill and his committee for taking on this task and pray that our efforts in Nashville will be successful."

The tentative date for the dinner is November 18, 1983.

MCC Conducts Successful Abilene Dinner

MCC President and Mrs. Milton B. Fletcher traveled to Abilene, Texas in late June to conduct the second Abilene fund-raising dinner for Michigan Christian College. MCC hosted 102 guests on the campus of Abilene Christian University for the June 27 event.

They see the 'Big Picture' in regard to the concept we know as Christian education. Also, we want to thank Dr. William J. (Bill) Teague, President of ACU, for allowing us to have the event on the ACU campus, and Dr. John C. Stevens, Chancellor, for speaking at the dinner," noted President Fletcher.

To date, \$18,000 has been contributed to the annual fund from Abilene.

State Veterans Program Selects Todd Chairman

Dr. John Todd has been appointed the Michigan Chairman of the Vietnam Veterans Leadership Program. The VVLP is a program funded by a federal grant from ACCTION.

Improving the public image of the Vietnam veteran by showing them as successful, well-adjusted citizens is a primary goal of the VVLP. A second goal is to establish a network of veteran volunteers to help Vietnam veterans who do have problems.

Dr. Todd, himself a Vietnam veteran, was asked to run the program, but declined the appointment in order to continue devoting time to teaching political science at Michigan Christian College. Instead, he completed most of his work as Michigan Chairman of the VVLP during the summer months. This work primarily involved preparing, writing, and receiving approval of a federal grant proposal, and selection of a Board of Directors. Dr. Len Knight, MCC Dean of Students, is among these appointees. He is also a Vietnam veteran. Dr. Todd also appeared on several cable television programs to explain the functions of the VVLP.

Gaye Strayer, a 1983 MCC graduate majoring in legal assistance, has been hired to assist the Michigan chairman in the Pontiac VVLP office.

Associates Elect President Pat Harrison, Other Officers

New officers of the Michigan Christian College Associates took office at the June, 1983 meeting. Elected from their Board of Trustees to serve one year terms, these ladies help plan and organize activities of the 1,200 membership fundraising organization.

Pat Harrison has been elected to serve as President. She has been an active Associate for eight years. "The Associates are successful because they have joined together in a common goal to promote Christian education. Twelve hundred Christian women have teamed their energies toward this goal and each year it's exciting to see how God has allowed us to be a part of Michigan Christian's growth through financial and moral support."

Catherine Sadurski has been re-elected to serve as treasurer. Recording secretary will be Donna White. Maxine Foster was re-elected to the post of assistant treasurer. Mrs. Everett (Nan) Alexander was elected to fill the role of corresponding secretary.

Continuing to serve as trustees for the Associates are: Nan Alexander; Gene Fletcher, College Representative; Maxine Foster; Margaret Hadfield; Judy Miller; Gwen Orr; Bonita Ward; Karen Watson, Alternate College Representative; and Donna White.

Men's Club Continues to Receive Jog-Rama Pledges

Monies pledged to the Men's Club Jog-Rama continue to be received. To date, \$18,998 has been realized. This amount does not include the \$5,000 already paid to the MCC Associates and the commissions paid to Jog-Rama, Inc. of Lubbock, Texas.

The second or reminder billing was sent in mid-August. This is expected to boost the total amount collected. "We have had some difficulties getting the billing sent out accurately," explained Duane Harrison, President of the Men's Club. "The problem seems to be resolved and we certainly appreciate everyone's patience. The Jog-Rama people in Lubbock assure us that they have taken care of the difficulties. Any way you look at it, the Men's Club will be able to give a good size check to MCC for the new computer program. We certainly appreciate all the work of so many people.

DID YOU KNOW...?

Did you know that approximately 100 congregations of the Churches of Christ are located within an hour's drive of MCC and over 800 are within a 400-mile radius of the college?

Brecheen, Faulkner Share Enrichment Seminar

"We had attended eight years earlier but felt it was a whole new enriching experience this time."

"It helped us get our priorities straight and our lives in order."

"After the seminar we realized we needed to make some big changes in our lives if our family was to be what we wanted."

These comments and many others like them were expressed by those attending the Marriage Enrichment Seminar on the Michigan Christian College campus July 8-9. Dr. Carl

Brecheen and Dr. Paul Faulkner, both from Abilene Christian University in Abilene Texas, conducted the ever popular series.

People came from all over the state of Michigan as well as Ohio, New York, Indiana, Illinois, and Ontario, Canada to hear these two men share ideas about family and husband-wife relationships.

During the past nine years, Drs. Brecheen and Faulkner have shared their insights and experiences with over 450,000 people!

Recently, a sixteen mm film of the entire Marriage Enrichment Seminar was produced. It, like the live presentation, has enriched the lives of those who attend.

ability drills and various work-outs each morning. Afternoon sessions focused on team play and offense and defense. Videotapes were made of each player at the beginning and close of the camp sessions. This enabled players to see their progress after just five days of concentrated work-out.

Detroit Piston's standout center Kent Benson was the camp's guest pro again this year. He stressed the importance of the three D's — desire, determination, and dedication. He then spent time working with each player.

Boys and girls age eight to sixteen participated in the fourth annual camp. Coach Pleasant noted that the total number of campers has increased annually, and this year more girls than ever before participated.

Two one-week sessions comprised July's Lake Norcentra Basketball Camp. MCC Warriors Coach Garth Pleasant conducted the camp on the MCC campus.

Winners Named in Golf Classic Competition

One hundred twenty eight golfers participated in the third annual Michigan Christian College Golf Classic August 6. Dunham Hills Golf Club near Pontiac, Michigan hosted the largest crowd ever to participate in this annual event.

Tee-offs began at 11:30 a.m. with foursomes going off the front and back nines every seven minutes. A very warm and sunny afternoon greeted the players as they made their way around the courses' picturesque hills and valleys.

Scoring was computed by the Calloway System. As each golfer turned in his or her score,

a gross and a net total were calculated. Trophies were given to both men and women scoring the top three areas of lowest gross and lowest net. Honors also went to the men and women hitting the longest drive and closest to the pin.

First place in the women's division for low gross went to Sylvia Kelly, second place to Zelma Reminder, and third place to Savilla Reminder. Lowest net score was turned in by Villa White, second Jackie Lanko, and third place by Peg Fowler. Barb Kelly took the honors for the longest drive and Jackie Lanko and Sylvia Kelly

shared the closest to the pin award.

Tom Jewell turned in the best overall score for the day, hitting a 74 on the par 72 course. Tom took low gross honors, with Chuck Cotterman second and Jeff Herron third. First place, low net trophy went to Jerry Tallman with Bill Fowler second and Jeff DeBanot third.

Kevin Kowalski received honors for the longest drive in the men's division and Tim Miller came closest to the pin.

Plans are to hold the tournament about the same time again next year.
