1963

High School Day At MCC

High School Day at Michigan Christian College dates from the very first year of the school's existence. The Administration, Faculty and Staff of the institution welcome you to the campus on this day and put forth a great effort in order that you might thoroughly enjoy your brief stay with us.

The purpose of High School Day is to encourage you to consider attending a Christian College . . . preferably Michigan Christian College but at any rate some such institution somewhere. It is a day when we can have hundreds of you together and can help you to see that you truly have a great deal to gain by coming to college here when you are ready for college.

On this day you will sit in chapel with our students here as they blend their voices together in worship of God. You will listen as some member of the faculty reads to us from God's Word and you will bow your head in prayer along with the rest of us.

You will be thrilled on this day to witness an actual day in the life of the students of Michigan Christian College. If you like, you may attend a college class of your choice and see how they are conducted! You will be able to ask any questions you like of the President or the Dean or any of the faculty.

At lunch time, we will all assemble in the cafeteria where you, as our guests, will be given your lunch free of charge. Here you will mix and mingle in the most "collegiate" informal way with people from all over the world and get to know many of them better. Most likely it is here that you will sample the "real flavor" of college life . . . especially "college life at MCC." Besides this, the meal is usually good and you may return for all the servings you require in order to be "filled up." If you leave hungry it will be your fault.

In the afternoon there will be games, recreation, or just plain fun of any sort that is available. Perhaps a basketball game, or badminton, or ping pong, or whatever strikes your fancy. **High School day is a big day here! We look forward to your sharing it with all of us at MCC.**

HIGH SCHOOL DAY
