

MICHIGAN CHRISTIAN COLLEGE

Holds the Key

**For the
SERIOUS
STUDENT**

POLICIES AND AIMS

Michigan Christian College is a private, co-educational junior college offering, in general, courses in the Liberal arts field which are required by senior colleges in the first two years of the college major.

To carry out the objective of the two year liberal arts program, nine divisions of study have been developed, including a division of Bible. Spiritual enrichment undergirds the entire program. Every student enrolls in a Bible course each term, and chapel is a required daily activity.

It is the aim of the college to provide a broad base of general education, to provide encouragement and opportunity to the student to enjoy and understand literature, art, music, drama and other cultural areas of human experience, to help students organize and unify their experiences into a workable and satisfying philosophy of life and to provide training in religious education in preparation for Christian service throughout the world.

DESCRIPTION OF COURSES

The curriculum offering of the college is generally in the Liberal Arts field under nine divisions of study. Courses in these divisions, however, relate to some thirty major fields.

Details of the Divisional Organization of Courses are outlined in the General Catalogue and are listed in the major divisions as follows:

- I. Bible
- II. Business Education
- III. Education and Psychology
- IV. Engineering and Mathematics
- V. Fine and Applied Arts
- VI. Language and Literature
- VII. Natural Sciences
- VIII. Physical Education
- IX. Social Sciences

ACCREDITATION

MCC holds membership in the following:

- American Association of Junior Colleges
- Michigan Association of Junior & Community Colleges
- The National Commission on Accrediting

MCC is Approved by:

- U. S. Department of Justice, Immigration and Naturalization Service
- U. S. Department of Health, Education and Welfare
- The State Department of Public Instruction
- Department of Public Instruction of the State of Michigan

MCC participates in:

- The National Defense Education Act
- Michigan Higher Education Assistance Authority

ADMISSIONS INFORMATION

Applications for admission should be on file well in advance. While applications are accepted through August preceding fall enrollment, most students apply early in their senior year of high school. This will assure the Admissions Office of ample time to process the application and adequately plan for the student's enrollment.

Students whose high school grade point average is 2.0 or above will be admitted unconditionally. In some cases, probationary admission will be granted to students with grade point averages below 2.0. Admission is granted for study toward the Associate in Arts Degree, Associate in Science Degree, or Junior College Certificate (a terminal program).

Application forms may be obtained by contacting the Admissions Office.

FINANCIAL AIDS

Michigan Christian College participates in various scholarship, loan, and tuition grant programs.

Students at MCC during the academic year were recipients of over \$40,000 in scholarships and grants in addition to the college Loan Program.

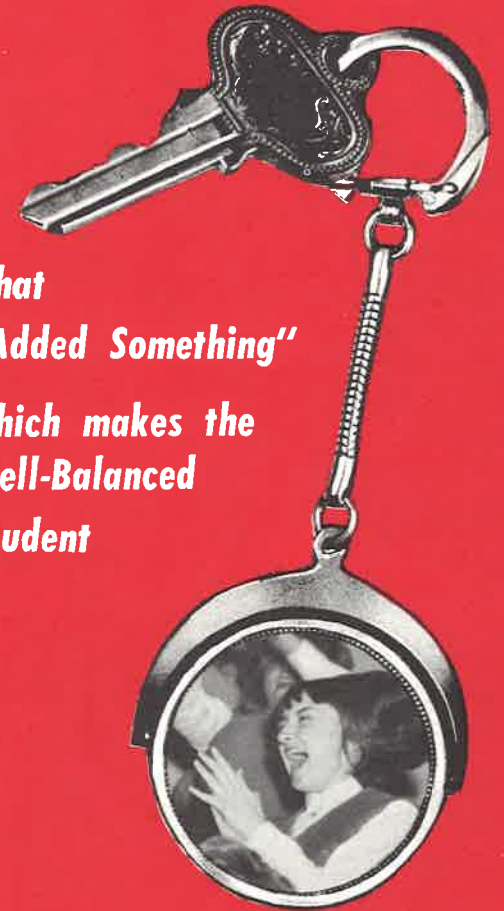

There are eleven different scholarships available for qualifying students, four tuition grant programs and the college participates in the National Defense Student Loan Program and the Michigan Higher Education Assistance Authority Loan program.

For further information, write for the special brochure on FINANCIAL AIDS. Send your request to the Director of Admissions, Michigan Christian College, Rochester, Michigan.
