Legal Assistant Program added to curriculum

Students desiring to be employed as a Legal Assistant immediately following their studies at Michigan Christian College may now obtain an Associate in Applied Science Degree with a major in the Legal Assistant Program. This new two-year program prepares students to assist a lawyer who has a general law practice in such areas as civil litigation, real estate transactions, and wills and probate administration.

Curriculum additions include twenty-four hours of legal assistance courses such as *Torts; Contracts and Commercial Sales; Introduction to the American Legal System; Real Estate Transactions; Criminal Law and Procedure; Civil Litigation; Wills, Trusts, and Probate Administration; and Legal Research and Writing*. The program also includes an internship course, in which students are placed in private law practices, corporate legal departments, bank trust departments, and government agencies to gain practical experience.

The Legal Assistant Program is directed by Dr. John Todd. Dr. Todd received his law degree from Georgetown University and has been developing the new law program for the past two years. Further information about the program may be obtained by requesting a catalog from the Admissions Office.

At a Glance

Sixteen students served as camp counselors and special representatives of MCC in fourteen Christian camps this summer. The students, who will be returning to MCC this fall, participated in a total of sixty-one weeks of camping throughout Illinois, Indiana, Maine, Michigan, New York, Ohio, and Wisconsin.

Members of the high school class of 1982 already are sending applications to MCC. Leading the list as the first six applicants are Patty Foster of Romeo, Michigan; Jeff Lintz of Flushing, Michigan; Jean Hoggatt of LaGrange, Indiana; Wendy Sargent of Ann Arbor, Michigan; Tracey Moore of Elyria, Ohio; and Leon Hosch of Chicago, Illinois. Join these and several others who have already applied and enjoy priority on course selection next fall.

Looking for a unique youth rally or retreat program? If so, consider *That's Entertainment?*, a multimedia presentation by MCC choral director Randy Gill. In an often humorous style, Mr. Gill examines the impact of today's television, movies, and music on the lives of Christian youth. For more details, contact Mr. Gill at the College.

Cafeteria and residence hall improvements will greet the students as they arrive on campus for the new academic year. Workers have completed a new ceiling and lighting in the cafeteria, which will also have additional new furnishings. Several rooms in Barbier Residence Hall have also been recarpeted. Most facilities on campus are either new or have been remodeled in recent years.

Autumn has completed another extensive summer tour, singing on fifty-six occasions over a twelve-state area. Group members included Tim Dill of North Manchester, Indiana; Terry McClure of Mt. Morris, Michigan; Amy Clayton of Troy, Michigan; and Mark Davison of Fairfield, Ohio. Try-outs for the new group are scheduled for the first weekend of the new academic year.

September student activities will feature visits to Cedar Point, northern Ohio's amusement park, and the Stratford Festival, a professional Shakespearean theatre in Ontario. Both will provide occasions to visit major area attractions as well as opportunities to get better acquainted with the new students.

New Bible instructor joins MCC faculty

Dr. Loren Gieger has accepted a position on the Bible faculty of Michigan Christian College. Dr. Gieger's wealth of practical experience as a minister, lecturer, and author will add depth to the four-year Bible program.

After receiving his bachelors' degree from Abilene Christian University, Dr. Gieger completed a masters' degree and doctorate at Southern Baptist Theological Seminary. He has served as a full-time minister since 1960, including the past thirteen years in Fort Worth, Texas with the Highland Church of Christ.

Dr. Gieger's extensive background in local church work will complement the varied experiences of other faculty members in preaching, mission work, and personal counseling. A well-rounded faculty has been sought in order to achieve the program goal of training better servants for the church in areas like the Midwest.
