What is a Christian Education Sunday?

Every year, scores of congregations among the churches of Christ are visited by representatives of Michigan Christian College. These representatives present a gospel sermon on either a Sunday morning or a Sunday evening and often teach a Bible class as well. Since a portion of time is set aside during each visit for comments about Christian Education, these special visits have been designated as Christian Education Sundays.

Why Does MCC Offer Christian Education Sundays?

Serving the churches of Christ in the Midwest has been a primary goal of Michigan Christian College since its inception in 1959. Over the years, the pulpits of hundreds of congregations have been filled on special occasions from the rich resource of speakers available at the college.

In 1981, the college developed a formal program of Christian Education Sundays to broaden the availability of such speakers to more churches and to further highlight the benefits of Christian Education. Since that time, speakers from Michigan Christian College have participated in Christian Education Sundays on over 550 occasions.
