# Dave Ramsey

Dave Ramsey is a personal money management expert, an extremely popular national radio personality and best-selling author of *The Total Money Makeover*. He offers life-changing financial advice as host of a nationally syndicated radio program, "The Dave Ramsey Show," which is heard by more than 3.5 million listeners each week, on more than 375 radio stations throughout the United States. On Oct. 15, 2007, Ramsey added television host to his title when "The Dave Ramsey Show on Fox Business Network" debuted nationally.

Dave Ramsey has penned five best sellers including *Financial Peace, More Than Enough, and The Total Money Makeover*. He has also authored *Priceless, The Money Answer Book* and a series of children's books including *Super Red Racer, Careless at the Carnival, The Big Birthday Surprise, My Fantastic Fieldtrip, A Very Special Thank You and Battle of the Chores*.

Ramsey knows first-hand what financial peace means in his own life—living a true rags-to-riches-to-rags-to-riches story. By age twenty-six he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and now devotes himself full-time to helping ordinary people understand the forces behind their financial distress and how to set things right—financially, emotionally, and spiritually.

Earn interest.  
Start churches.

*It's that simple!*

When you invest with Church Development Fund, you do more than earn interest; you help start new churches. Now, in honor of CDF's sister ministry, Stadia, which started 15 new churches in 2008, CDF will donate \$15 to the church planting fund when you open a 15-month special time certificate before September 15.

Interest rates are subject to change periodically. Fees may apply for early redemption from time certificate Investments. The offered rate is valid only on Church Development Fund's 15-month special time certificate. When the time certificate matures, it will automatically renew at CDF's prevailing 18-month rate.

Offer valid on new investments postmarked on or before September 15, 2009. Offer not valid on dollars added to existing time certificates or time certificate renewals. A minimum opening investment of \$5,000 is required to receive the offered rate.

The purchase of CDF securities is subject to risks, which are described in CDF's Offering Circular.
