February 17, 1987

Ms. Sue Frankie  
Director, Kresge Library  
Oakland University  
Rochester, MI 48063

Dear Sue:

I would like to invite you to serve on the DALNET Board as one of its directors. The term of appointment is from February 28, 1987 through September 30, 1988. You have a copy of the DALNET bylaws which spell out the responsibilities of the Board. I hope that you will be able to accept this assignment.

Also, I would like to confirm our discussion of last week in regards to the fourteen hospital libraries' databases which are slated to be loaded into the DALNET database in July. As you may know, WSU is the cataloging center for this group of hospital libraries (DC3) and the addition of their holdings (about 30,000 records) is a natural extension of our relationship.

We are looking forward to having you on the DALNET Board.

Sincerely,

Peter Spyers-Duran  
Dean of University Libraries and  
Library Science
