Oakland Community College
OCC Student Enrollment By City of Residence
Winter Term - 2003

Executive Summary

This report provides the number of students enrolled at Oakland Community College during the Winter 2003 term. The data in this report is based upon Winter 2003 One-Tenth Day data from OCC's Student Information System. The report primarily consists of two data tables – one sorted in alphabetical order by state and city, and the other sorted in descending order by the number of students from each city.

A total of 22,428 students enrolled at Oakland Community College during the Winter 2003 term. The top ten cities from which OCC drew its students during this semester accounted for more than half of OCC's student enrollment.
